SKILLS

Programming Languages

- Python (Intermediate)
- C / C++ (Basic)

Web Development

- HTML
- CSS
- JavaScript (Basic)

Tools & Technologies

- VS Code
- Git & GitHub
- Jupyter Notebook
- Canva (Designing)

Core Skills

- Problem Solving
- Analytical Thinking
- Teamwork
- Communication

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Telugu (Native)

Big dreams
need consistent
effort ♥

ABOUT ME

I am a 2nd year B.Tech AIML student at Sandip University, Nashik. I am passionate about Artificial Intelligence, Machine Learning and Web Development. I enjoy learning new technologies, building creative projects and solving real-world problems. I am a quick learner, dedicated, and always eager to grow my skills and gain hands-on experience in the tech field.

EDUCATION

Sandip University, Nashik B.Tech – Artificial Intelligence & Machine Learning CGPA (2nd Semester): 8.69	2024 – Present (2nd Year)
Intermediate (Class 12) Board of Intermediate Education	2022 – 2023 Percentage: 87%
10th (Class 10) Board of Secondary Education	2020 – 2021 Percentage: 92%

PROJECTS

- Student Management System**
A web application to manage student details, attendance, results and more. Includes login and data management features.
HTML CSS JavaScript MySQL
- Blood Bank Management System**
Helps manage donors, blood requests and inventory. Includes search and admin panel.
HTML CSS JavaScript Local Storage
- Spam Email Detection**
A machine learning model to classify spam and non-spam emails using Python and data preprocessing techniques.
Python Pandas Scikit-learn Jupyter Notebook

EXPERIENCE / INTERNSHIP

- Web Development Intern (Self Learning)** May 2025 – Present
- Built small web projects using HTML, CSS and JavaScript.
 - Improved understanding of front-end development and responsive design.
 - Worked on personal projects to strengthen my coding and problem-solving skills.

ACHIEVEMENTS & CERTIFICATIONS

- Completed Python for Beginners (Udemy).
- Completed Web Development course (Coursera).
- Participated in college technical events and workshops.
- Consistent academic performance – CGPA 8.69 (2nd semester).

GOAL

Become a Full Stack Developer and build impactful solutions in the field of AI & ML.

Keep Learning • Keep Growing • Keep Shining
