SKILLS

Programming Languages

- Python (Intermediate)
- C / C++ (Basic)

Web Development

- HTML
- CSS
- JavaScript (Basic)

Tools & Technologies

- VS Code
- Git & GitHub
- Jupyter Notebook
- Canva (Designing)

Core Skills

- Problem Solving
- Analytical Thinking
- Teamwork
- Communication

EDUCATION

Sandip University, Nashik

B.Tech – Artificial Intelligence & Machine Learning
2nd Year (Current)
CGPA: 8.69 (till 2nd semester)

CERTIFICATIONS

- Python for Beginners – Udemy
- Web Development – Coursera
- AI & Machine Learning – NPTEL (ongoing)

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Telugu (Native)

ABOUT ME

I am a 2nd year B.Tech AIML student at Sandip University, Nashik. I am passionate about Artificial Intelligence, Machine Learning and Web Development. I enjoy learning new technologies, building creative projects and solving real-world problems. I am a quick learner, dedicated, and always eager to grow my skills and gain hands-on experience in the tech field.

PROJECTS

1

Blood Bank Management System

[View Project →](#)

A web application to manage donors, blood requests and inventory. Includes registration, search and admin panel.

HTML | CSS | JavaScript | Local Storage

2

Student Management System

[View Project →](#)

A system to manage student details, attendance and results. Includes login and data management features.

HTML | CSS | JavaScript | MySQL (basic)

3

Spam Email Detection

[View Project →](#)

A machine learning model to classify spam and non-spam emails using Python and data preprocessing techniques.

Python | Pandas | Scikit-learn | Jupyter Notebook

EXPERIENCE / INTERNSHIP

Web Development Intern (Self Learning)

May 2025 – Present

- Built small web projects using HTML, CSS and JavaScript.
- Improved understanding of front-end development and responsive design.
- Worked on personal projects to strengthen my coding and problem-solving skills.

ACHIEVEMENTS & CERTIFICATIONS

- Completed Python for Beginners (Udemy).
- Completed Web Development course (Coursera).
- Participated in college technical events and workshops.
- Consistent academic performance – **CGPA 8.69** (2nd semester).
